Dear <Title> <Last Name>,

## We want to know about your care

I am writing to ask you to take part in the NSW Patient Survey Program by telling us about your recent visit to [HOSPITAL NAME] during [MONTH].

The Bureau of Health Information, established by the NSW government to independently report on the performance of the NSW health system, asks thousands of people each year to tell us about the care they received in hospital. Hearing about your recent hospital experience helps us to understand the quality of care you received and it allows hospitals to see where they need to improve.

## How do you take part?

There are two ways to complete the questionnaire:

 **Online:** Visit [survey.ipsos.com.au/patientsurvey](http://survey.ipsos.com.au/patientsurvey) and enter your username [INS\_UNAME] and password [INS\_PWORD] when prompted

OR

 **Pen and paper:** Simply fill in the questionnaire. To ensure your anonymity, remove this covering letter before placing the completed questionnaire in the Reply Paid envelope.

## Your information will be treated as confidential

You have been randomly selected to participate and there are many safeguards in place to protect your identity. The hospital staff who cared for you will not know if you have returned a completed questionnaire and will not be able to see your responses.

If you have any questions or need help filling in the questionnaire, please contact the toll-free Patient Survey Helpline on **1800 220 936** (Monday to Friday, 4pm–8pm). For information about the NSW Patient Survey Program and to see how your local hospital is performing, visit the Bureau of Health Information's website at [bhi.nsw.gov.au](http://bhi.nsw.gov.au)

Thank you very much for your time helping to improve NSW Health services.

Yours sincerely

**Dr Jean-Frédéric Lévesque**

Chief Executive

Bureau of Health Information

Sometimes you will find the box you have marked has an instruction to go to another question. By following the instructions carefully you will be able to move past questions that do not apply to you.

If you would prefer not to answer individual questions, leave them blank but please complete the rest of the survey.

If you make a mistake or wish to change a response, simply fill in that box and mark the correct box like this:

If someone is helping you to complete this survey, please ensure the answers given are from your point of view, and not the opinion of the person helping you.

If you prefer a language other than English, please refer to the separate language sheet for information on the Healthcare Interpreter Service.

Please do not write your name or address on the survey.
